

# How to Reach the Research Institute for Discrete Mathematics and the University Club

The closest airports are Cologne/Bonn (CGN), Düsseldorf (DUS), and Frankfurt (FRA). In most cases, Frankfurt will be the best choice. Bonn can be reached easily from Frankfurt (or Düsseldorf) airport by train in 1-2 hours.

As the institute as well as the University Club are located in walking distance to the main station it is also very convenient to travel by train.

The institute is in the same building as the Arithmeum. The University Club is located just across the Hofgarten park, close to the Rhine River. Both buildings are only a few hundred metres from the downtown pedestrian area.

## From **Düsseldorf Airport (DUS)**:

The airport railway station (Bahnhof Düsseldorf Flughafen) is about 3km from the terminal (D-Flughafen Terminal A/B/C). You can reach it by the [SkyTrain](#) in 5 minutes. Note that this service might not be included in your flight or train ticket, in which case you can buy a "Kurzstrecke" ticket from a vending machine (more information [here](#)). Alternatively, the S7 regional train, which does not stop at the airport railway station, takes you from the terminal via other intermediate stops to Düsseldorf main station (Düsseldorf Hbf) in 12 minutes. From either the airport railway station or Düsseldorf main station, take a connecting train to [Bonn Hbf](#) (main station). The entire ride to Bonn takes about 65 minutes and costs about 16€. To search for connections, use the [DB timetable query page](#). If you come [by car](#), first follow the direction **Köln**, then **Flughafen Köln/Bonn**, then **Bonn**.

## From **Köln/Bonn Airport (CGN)**:

You can take the **SB60 shuttle bus** ([PDF timetable](#)) outside the arrivals terminal, which brings you to [Bonn Hbf](#) (main station) in half an hour. Note that this service has a special fare (7.40€ for a single ride) different from that of most other local public transport lines. To search for more connections, use the [DB timetable query page](#).

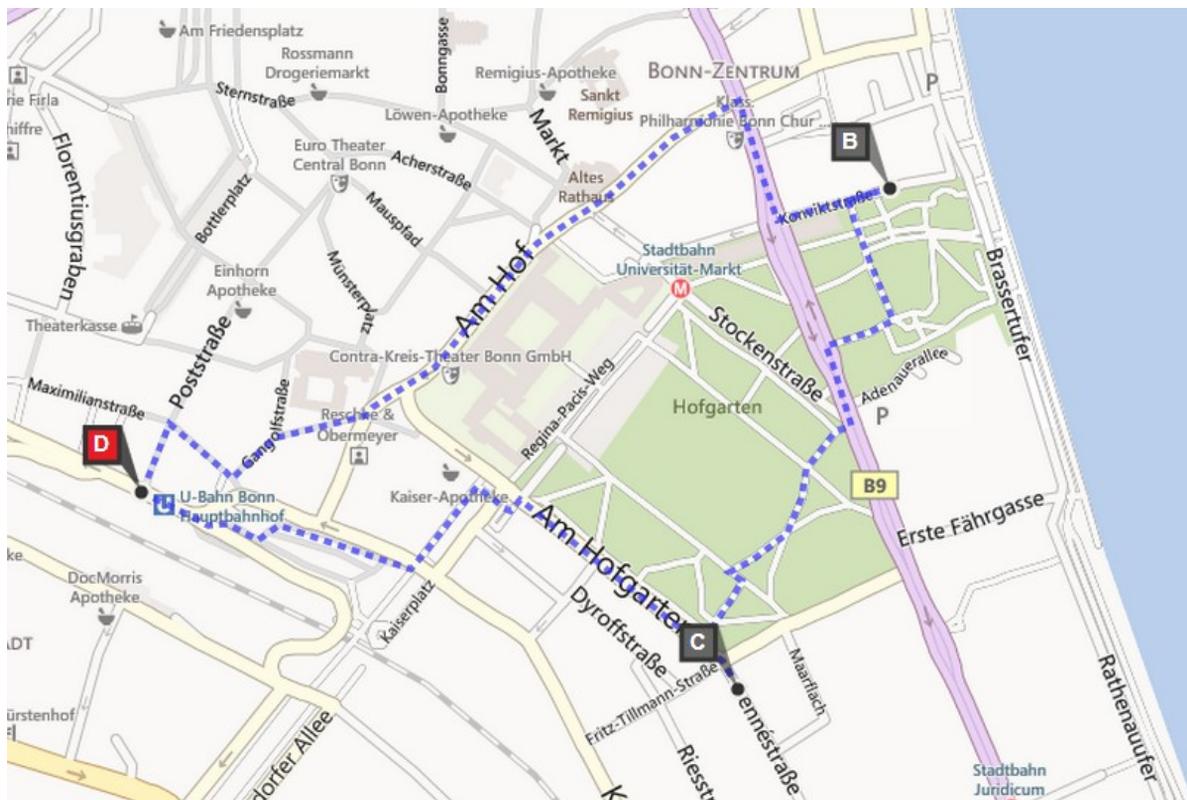

A taxi from the airport to downtown Bonn or vice versa costs about 40€. The [car ride](#) is about 22km or 15 minutes.

## From **Frankfurt(M) Airport (FRA)**:

There are several intercity links from the airport railway station (**Frankfurt Flughafen Fernbahnhof**) to [Bonn Hbf](#) (main station), including direct trains. Additionally, there are fast ICE (intercity express) trains to **Siegburg/Bonn** station, from where **tram line 66** takes you to downtown Bonn in 25 minutes. (Get off the streetcar at **Universität/Markt**, which is just one stop after Bonn Hbf, take the "Kreuzkirche/Kaiserplatz" exit to leave the underground station, then turn left at street level, following the signs to the Arithmeum.)

The trip from Frankfurt takes between 40 minutes and 1 hour 40 minutes and costs between 30€ and 65€. To search for connections, use the [DB timetable query page](#). If you come [by car](#), first follow the direction **Köln** and then **Bonn**.
